

YOU COACH

We'll take care of the uniforms.

You have enough to worry about – rosters, practice times, game schedules, lineups, parent communications. Getting uniforms should not be one of them.

This year, COBA is teaming up with Egelhoff Sports to offer you the absolute easiest way to get some of the best custom uniforms for your players.

Customize Your Uniforms

Even the least expensive uniforms can be customized.

Mesh or Performance Reversibles

Reversible mesh and performance uniforms can be customized with silkscreen or digital transfer logos and numbers on both sides, front and back, and on shorts.

This artwork is often done in one color, but multi-color artwork is definitely an option.

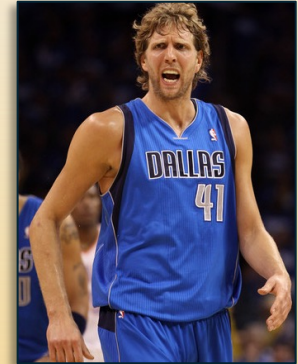

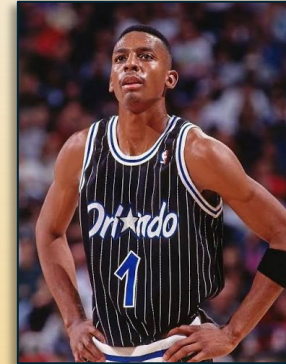

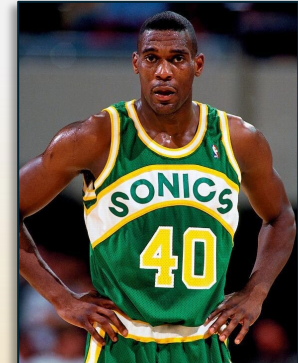

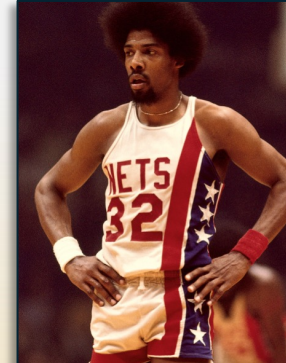

Sublimated Reversible Uniforms

With sublimated jerseys, anything is possible.

You can design anything you can imagine, or we can help you design it.

Or...

Pick your favorite NBA or college uniform from any era, and we can work with you to create a unique design that borrows from a classic.

More than uniforms

We can create a spirit shop specific for your team.

Coaching shirts, shooting shirts, hoodies, T-shirts, travel bags, socks, jackets, balls, whistles...

Whatever you, your players, your parents, or your coaches want, we can make sure they get it.

Plus, every item sold through your spirit shop can earn money or credits for your team.

How convenient?

Super convenient.

We'll have fitting events throughout central Ohio.

Your uniforms will come paired and bagged by team and player.

We can bill your organization for the uniforms.
Or families can pay us individually.
